

Important Information

The PBL report should include a Cover Page (see Page 2), Learning Objectives, Conclusion and References parts (see Page 2).

Learning Objectives are set objectives that will be determined during the PBL sessions.

Learning Objective part should include informative information about the objectives and information should be gathered from academic information such as articles, books, reports.

The text should be written in Times New Roman, 12 font size, justified and line spacing 1.5

Headings should be bold.

The report should be submitted either as a Word document or in PDF format.

The report name should include Student Name - Surname, Student Number and PBL Number.

University Logo

PBL Group Number (Group #)

PBL Report Number (PBL #)

Student Name – Surname

Student Number

Learning Objectives

1.Learning Objective 1 (ex.: What is Breast Cancer?)

- Informative information about the learning objective should be provided from up-to-date academic sources.
- The sources should be cited both in text and in References part (see the example below).

Statistics from the World Health Organization, predict 29.5 million new cancer cases due to cancer by the year of 2040 (1). Text continues ... (2).

2.Learning Objective 2 (ex.: What is BRCA1 gene?)

Informative information about the learning objective should be provided from up-to-date academic sources.

- The sources should be cited both in text and in References part (see the example below).

Conclusion

- Conclusion part should be added to the report
- Conclusion part should be short but informative
- The text should be justified

References
