

VERY IMPORTANT ANNOUNCEMENT

ABOUT THE DISTANCE EDUCATION RELATED TO COVID-19 PANDEMIC (25th of March 2020)

Dear Students,

As formerly announced, we are establishing a distance education system for our faculty. Please strictly follow the announcements of our deanery, the program coordinators and the student representative for the technical details. **The system is planned to be available from your home starting by tomorrow (26th of March).**

For your attention:

- Your detailed schedule will be announced to you in the following communications. The schedule for today and tomorrow is given below.
- The distance education system will be based on Microsoft Teams software. Thus, each student must follow the technical instructions regarding the instalment and use of software announced by our university previously.
- Each student must get the Office365 account and password details from our Computer System Operator (mine.yeterli@emu.edu.tr)
- We request all of the students to check the official e-mail addresses frequently for further instructions.
- Student representatives should be in close contact with the students and program coordinators to distribute future communications to our students in coordination.

We wish you healthy days ahead,

Deanery,

EMU Faculty of Medicine
